In order to induce Lenders to provide the credit accommodations set forth in the Credit Agreement, Guarantor agreed to execute and deliver to Agent, for the benefit of Lenders, this Trademark Collateral Security Agreement ("Security Agreement"). This Security Agreement, covering Trademarks (as hereinafter defined), is being executed in connection with the Guaranty.

NOW, THEREFORE, in consideration of the premises, Guarantor and Agent hereby agree as follows:

1. Defined Terms. Unless otherwise defined herein, terms defined in the Credit Agreement shall have their defined meanings when used herein and the following terms shall have the following meanings, unless the context otherwise requires:

"Collateral" shall have the meaning assigned to it in Section 2 of this Security Agreement.

"Excluded Property" means property encumbered by a Lien existing on the date of this Agreement which is listed on Schedule 8.04(a) of the Credit Agreement, but only if the security agreement which created such Lien provides that the granting of any additional Lien on such property constitutes a default under such security agreement.

"Licenses" shall mean the trademark license agreements of Guarantor designated on Schedule I hereto, as any of the same may from time to time be amended or supplemented.

"Obligations" shall mean all indebtedness, liabilities and other obligations of Guarantor now or hereafter existing under the Guaranty, whether for principal, interest, fees, expenses or otherwise and all obligations of Guarantor now or hereafter existing under this Security Agreement.

"Security Agreement" shall mean this Trademark Collateral Security Agreement, as the same may from time to time be amended or supplemented.

"Trademarks" shall mean the U.S. registered trademarks and pending applications referred to in the attached Schedule A, and those trademarks which are hereafter adopted or acquired by Guarantor, and all right, title and interest therein and thereto, and all registrations, applications, and recordings thereof, including, without limitation, applications, registrations and recordings in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, all whether now owned or hereafter acquired by Guarantor.

2. Grant of Security Interest. As collateral security for the prompt payment of the Obligations, Guarantor hereby grants and conveys to Agent, for the benefit of Lenders, a security interest in and to the following property, but excluding the Excluded Property: (a) the entire right, title and interest of Guarantor in and to the Trademarks, including the registrations and applications appurtenant thereto, listed in Schedule A hereto (as the same may be amended pursuant hereto from time to time), and in and to any and all trademarks, and registrations and applications appurtenant thereto, hereafter acquired or filed by Guarantor, including without limitation all renewals thereof, all proceeds of infringement suits, the rights to sue for past, present and future infringements and all rights corresponding thereto in the United States and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof and the goodwill of the business to which each of the Trademarks relates and (b) all of Guarantor's right, title and interest in, to and under the following:

(iii) to the extent not otherwise included, all Proceeds and products of any or all of the foregoing. All of the property referred to in this paragraph 2 is hereinafter collectively called the "Collateral."

3. Representations and Warranties. Guarantor covenants and warrants that as of the date of this Security Agreement:

(a) The Trademarks are subsisting and have not been adjudged invalid or unenforceable except where a lack of subsistence or invalidity would not cause a Material Adverse Effect;

(b) Guarantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks, free and clear of any liens, charges and encumbrances, (including without limitation pledges, assignments, licenses, registered user agreements and covenants by Guarantor not to sue third persons expressly relating to such Trademarks), except for (a) the Licenses referred to in Schedule I attached hereto to, (b) Permitted Liens and (c) liens, charges and encumbrances not causing a Material Adverse Effect;

(c) Guarantor has the corporate power and authority to enter into this Security Agreement and perform its terms;

(d) To the extent necessary to prevent the abandonment, invalidation, unenforceability, avoidance or substantial diminution in value, Guarantor has used, and will continue to use for the duration of this Security Agreement, proper statutory notice, where appropriate, in connection with its use of the Trademarks, except where such lack of notice would not cause a Material Adverse Effect; and

(e) To the extent necessary to prevent the abandonment, invalidation, unenforceability, avoidance or substantial diminution in value, Guarantor has used, and will continue to use for the duration of this Security Agreement, consistent standards of quality in its manufacture of products sold under the Trademarks except where such inconsistency would not cause a Material Adverse Effect.

4. Covenants. Guarantor covenants and agrees with Agent that from and after the date of this Security Agreement and until the Obligations are fully satisfied:

(a) Further Documentation; Pledge of Instruments. At any time and from time to time, upon the written request of Agent, Guarantor will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as Agent may reasonably deem desirable in obtaining the full benefits of this Security Agreement and of

the rights and powers herein granted, including, without limitation, the filing of any financing or continuation statements under the Code with respect to the liens and security interests granted hereby. Guarantor also hereby authorizes Agent to file any such financing or continuation statement without the signature of Guarantor to the extent permitted by applicable law.

(b) Maintenance of Trademarks. If such action or omission would cause a Material Adverse Effect, Guarantor will not do any act, or omit to do any act, that causes the Trademarks or any registration or application appurtenant thereto, to become abandoned, invalidated, unenforceable, avoided, avoidable, or otherwise substantially diminish in value. If the failure to do so would cause a Material Adverse Effect, Guarantor shall take reasonable action at its expense to halt the infringement of the Trademarks and shall properly exercise its duty to control the nature and quality of the goods offered by any licensees in connection with the Licenses set forth in Schedule I to the extent necessary to prevent the abandonment, invalidation, unenforceability or avoidance of such licenses.

(c) Indemnification. (A) Guarantor assumes all responsibility and liability arising from its use of the Trademarks, and Guarantor hereby indemnifies and holds Agent harmless from and against any claim, suit, loss, damage or expense (including reasonable attorneys' fees) arising out of Guarantor's operations of its business from the use of the Trademarks. (B) In any suit, proceeding or action brought by Agent under any License for any sum owing thereunder, or to enforce any provisions of such License, Guarantor will indemnify and keep Agent harmless from and against all expense, loss or damage suffered by reason of any defense, set off, counterclaim, recoupment or reduction or liability whatsoever of the obligee thereunder except a claim, suit, loss, damage or expense from Agent's gross negligence or willful misconduct arising out of a breach of Guarantor of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such obligee or its successors from Guarantor, and all such obligations of Guarantor shall be and remain enforceable against and only against Guarantor and shall not be enforceable against Agent unless attributable to the Agent's gross negligence or will misconduct.

(d) Limitation of Liens on Collateral. Except for Permitted Liens, Guarantor will not create, permit or suffer to exist any lien, security interest, encumbrance, claim or right, in or to the Collateral, and to any of Guarantor's rights under the Licenses and to the Proceeds thereof unless such lien, security interest, encumbrance, claim or right would not cause a Material Adverse Effect.

(e) Limitations on Modifications of Licenses. To the extent necessary to prevent the abandonment, invalidation, unenforceability or avoidance of any License, Guarantor will not (i) amend, modify, terminate (other than in accordance with its terms) or waive any provision of any License in any manner, (ii) fail to exercise promptly and diligently each and every material right which it may have under each License (other than any right of termination) unless such amendment, modification, termination or failure to exercise would not cause a Material Adverse Effect.

(f) Limitation on Further Uses of Trademarks. Except for Permitted Liens, Guarantor will not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license, or otherwise dispose of any of the Collateral, without written consent of Agent unless such actions would not cause a Material Adverse Effect.

5. Agent's Appointment as Attorney-in-Fact.

(a) Guarantor hereby irrevocably constitutes and appoints Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Guarantor and in the name of Guarantor or in its own name, from time to time in Agent's discretion, for the purposes of carrying out the terms of this Security Agreement, upon the occurrence and continuance of an Event of Default, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Security Agreement and, without limiting the generality of the foregoing, hereby gives Agent the power and right, on behalf of Guarantor, to do the following:

(i) Upon the occurrence and continuance of an Event of Default, to ask, demand, collect, receive and give acquittances and receipts for any and all moneys due and to become due under any License and, in the name of Guarantor or its own name or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any License and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Agent for the purpose of collecting any and all such moneys due under any License whenever payable;

(ii) Upon the occurrence and continuation of an Event of Default, to pay or discharge taxes, liens, security interests or other encumbrances levied or placed on or threatened against the Collateral; and

(iii) Upon the occurrence and continuance of an Event of Default, (A) to direct any party liable for any payment under any of the Licenses to make payment of any and all moneys due and to become due thereunder directly to Agent or as Agent shall direct; (B) to receive payment of and receipt for any and all moneys, claims and other amounts due and to become due at any time in respect of or arising out of any Collateral; (C) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any part thereof and to enforce any other right in respect of any Collateral; (D) to defend any suit, action or proceeding brought against Guarantor with respect to any Collateral; (E) to settle, compromise, or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as Agent may deem appropriate; and (F) generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Agent were the absolute owner thereof for all purposes, and to do, at Agent's option all acts and things which Agent deems necessary to protect, preserve or realize upon the Collateral and Agent's security

interest therein, in order to effect the intent of this Security Agreement, all as fully and effectively as Guarantor might do.

This power of attorney is a power coupled with an interest and shall be irrevocable. Notwithstanding the foregoing, Guarantor further agrees to execute any additional documents which Agent may require in order to confirm this power of attorney, or which Agent may deem necessary to enforce any of its rights contained in this Security Agreement.

(b) The powers conferred on Agent hereunder are solely to protect its interests in the Collateral and shall not impose any duty upon it to exercise any such powers. Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and neither it nor any of its officers, directors, employees or agents shall be responsible to Guarantor for any act or failure to act, except for its own gross negligence or willful misconduct.

(c) Guarantor also authorizes Agent to execute, in connection with the sale provided for in paragraph 10(b) of this Security Agreement, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

6. Execution of Power of Attorney. Concurrently with the execution and delivery hereof, Guarantor is executing and delivering to Agent, in the form of Schedule II hereto, ten (10) originals of a Power of Attorney for the implementation of the assignment, sale or other disposal of the Trademarks pursuant to paragraph 7 hereof.

7. Performance by Agent of Guarantor's Obligations. If Guarantor fails to perform or comply with any of its agreements contained herein and Agent, as provided for by the terms of this Security Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the reasonable expenses of Agent incurred in connection with such performance or compliance shall be payable by Guarantor to Agent on demand and shall constitute Obligations secured hereby.

8. Remedies, Rights Upon Event of Default.

(a) If an Event of Default shall occur and be continuing:

(i) All payments received by Guarantor under or in connection with any of the Collateral shall be held by Guarantor in trust for Agent, shall be segregated from other funds of Guarantor and shall forthwith upon receipt by Guarantor, be turned over to Agent, in the same form as received by Guarantor (duly endorsed by Guarantor to Agent, if required); and

(ii) Any and all such payments so received by Agent (whether from Guarantor or otherwise) may, in the sole discretion of Agent, be held by Agent as collateral security for, and/or then or at any time thereafter applied in whole or in part by Agent against all or any part of the Obligations in such order as Agent shall elect. Any balance of such payments

held by Agent and remaining after payment in full of all the Obligations shall be paid over to Guarantor or to whomsoever may be lawfully entitled to receive the same.

(b) If any Event of Default shall occur and be continuing, Agent may exercise in addition to all other rights and remedies granted to it in this Security Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Code. Guarantor shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which Agent is entitled. Guarantor shall also be liable for the reasonable fees of any attorneys employed by Agent to collect any such deficiency and also as to any reasonable attorney's fees incurred by Agent with respect to the collection of any of the Obligations and the enforcement of any of Agent's respective rights hereunder.

9. Termination. At such time as Guarantor shall completely pay in full all of the Obligations and the Credit Agreement and the Guaranty are terminated, this Security Agreement shall terminate and Agent shall execute and deliver to Guarantor all such releases, deeds, assignments and other instruments as may be necessary or proper to re-vest in Guarantor full title to and release any lien on the Trademarks, subject to any disposition thereof which may have been made by Agent pursuant hereto.

10. Notices. Any notice to Agent shall be deemed to have been duly given when given under the Credit Agreement.

11. No Waiver. No course of dealing between Guarantor and Agent, nor any failure to exercise, nor any delay in exercising, on the part of Agent, any right, power or privilege hereunder, under the Guaranty or under the Credit Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. Cumulative Remedies. All of Agent's rights and remedies with respect to the Collateral, whether established hereby or by the Credit Agreement, or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently.

13. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

14. No Modification Except in Writing. This Security Agreement is subject to modification only by a writing signed by the parties, except as provided in paragraphs 5 and 7.

15. Successors and Assigns. The benefits and burdens of this Security Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties in accordance with the Credit Agreement.

16. Governing Law. The validity and interpretation of this Security Agreement and the rights and obligations of the parties shall be governed by the laws of the State of Texas.
